Finally, I can hardly tell you how blessed Baba Farid International school Kulgarhi is to have such wonderful, talented and cooperative staff. Without each one of my staff members, it would be one of my staff members for me to Guide this ship of Baba farid's to its destination. Thank you so much dear staff members, teaching, non-teaching and maintenance Personnel.

I think that if we at Bf I have achieved anything this last year, it has been the result of tremendous corporations on the part of everyone associated with this institution, but very especially the staff, who have strived might and main to mould the students into future shining Citizens of India.

Truly, God has been so kind and gracious to us!

"Yes, Perseverance Conquers All" is the motto that we have in mind when we take up any challenge and I think that our annual report has shown that our Students have achieved a lot indeed. More, No doubt, Can still be done.. Excellence in every field is. Our goal! One of my favorite leaders. president obama said, "Yes we can "as part of his inaugural speech. I can safely say at the end of one year, not only "Yes, we can... achieve "but "Yes, we will achieve more.

Thank you!
